Client Remks: Discover the opportunity to put your personal touch on this 2 bedroom, 1 bathroom home, started in 2022 and ready for its new owners vision. Much of the hard work has already been completed, with only finishing touches left to transform it into your dream property. Built on a Legalett 3200E GeoSlab foundation, the home features electric in-slab radiant floor heating, keeping the entire house evenly heated from the ground up. Set on a property surrounded by mature trees, the home offers both privacy and natural beauty. Adding to its unique appeal, the property also includes the historic Morton schoolhouse, now upgraded with 200-amp service, it's a versatile space with endless possibilities as a workshop, studio, guesthouse, or a remarkable restoration project. This home is perfect for anyone looking for a unique property with room to add their personal touch. Don't miss this rare chance to create a home that reflects your style, all while enjoying the benefits of modern construction paired with a piece of local history.

Inclusions: Fridge, Stove, Microwave/hood fan, Dishwasher, Washer, Dryer, Pallet of bricks
